Identity and Due Diligence checks:

Before we can open your Account(s), we are required by UK legislation to verify your identity, and any others on whose behalf you are acting. In order to prevent or detect fraud, money laundering or other financial crime activity we will check and share the information provided in the application or at any stage with agencies used for screening who will supply us with information about your identity, and may make searches at credit reference agencies. Scoring methods may be used to check your identity. A record of this process will be kept that may be used to help other companies to check your identity if required. If false or inaccurate information is provided and fraud is suspected, details will be passed to fraud prevention agencies, and law enforcement agencies, such as the police, who may search and use this information as necessary.

In connection with our credit services (for example Islamic Home Finance, loans and overdrafts), we may search and use the records held by credit reference agencies, and other agencies used for screening to prevent and investigate, fraud, money laundering and other financial crime. This can include but is not limited to the following types of checks:

- Checking details on applications for credit or other facilities.
- Verifying your identity if you or your financial associate applies for facilities with the Bank.
- Managing credit and credit related accounts or facilities.
- Recovering debt and tracing your whereabouts.

We may also search and use our internal records for these purposes and we may search and use the information recorded at other financial institutions and crime prevention agencies from other countries.

A financial link between joint applicants or between you and any named partner, spouse or individual will be created at the credit reference agency. This will link your financial records, including previous and subsequent names, where each will be taken into account in all future applications by either or both of you. If you already have a financial association, we will assess your application on this basis. This situation will continue until one of you successfully files for a 'disassociation' at the credit reference agency. We will also pass details about you and how you manage your Account (if your application is successful) to credit reference agencies as per industry requirements. You understand that this will include if you fail to make agreed payments into your Account (even if you stay within the agreed credit limit or Approved Overdraft limit, if applicable) and that this information may affect your ability to get credit.

 - 2.6.3 If the Account is opened in Scotland, the rights and obligations do not automatically transfer to the surviving Account holder.  - Your signature on written instructions

- 3.4 When you are using Internet or mobile banking, making online card payments or using cash machine (or otherwise remotely accessing our banking services) we will verify your identity using the Security Details we have agreed with you before carrying out a Payment Instruction, this will ensure that activity on your account is undertaken securely.
- 3.5 A Payment Transaction will be considered as authorised by you where you have given your consent to its execution. We will treat any of the following as your consent to carry out any Payment Transactions:
 - 3.5.1 Payment Instructions made in writing (in whatever form we may request) and verified by your signature, or sent from mobile or internet banking using Secure Messaging;

- 3.9 From time to time, we may give you recommendations which we reasonably consider are necessary to prevent unauthorised access to your Accounts.

 - 3.10.1 Do all you reasonably can to make sure no one finds out your Security Details;
 - 3.10.2 Where you can select your Security Details (such as a password or code), don't choose obvious passwords or codes (such as your date of birth);

 - 3.10.4 Be alert to anyone that may be able to listen in to your calls with us, or watch you entering or making use of your Security Details;
 - 3.10.5 Don't give anyone your Payment Instrument and Security Details in order to access or operate your Accounts unless it is a Third Party Provider who you have authorised to make a payment or access your information (including but not limited to ensuring you do not divulge your security questions and answers, internet or mobile banking password / passcode and debit card pin to any unauthorised individuals).
 - 3.10.6 Take reasonable steps to protect Payment Instruments from damage;
 - 3.10.7 If your signature is required, sign any card or document as soon as you have received it; and
 - 3.10.8 If you use our internet or mobile banking services, your computer, modem and mobile phone must meet any reasonable requirements we may set which you can find on our digital banking platform once you have logged in. If you have our mobile banking app, you should ensure that you take reasonable measures to keep your mobile device secure. We advise all customers to install a password or PIN on their devices so UBL UK mobile banking services cannot be accessed if the device is lost or stolen. Installing a password or PIN on your device will provide an additional layer of protection against access to mobile banking and in turn your account.
 - 3.10.9 You must carry out your own regular virus checks.
 - 3.10.10 You must not change or copy any software we provide, or give it to another person.
- 3.11 If you hold Joint Accounts which can be operated on the basis of instruction from any one of the account holders, then each Joint Account holder will be given their own Payment Instruments and Security Details to operate the Account alone. These will be personal to each Joint Account holder. You may not share or allow the other Joint Account holder to use your cards, PIN, mobile banking, internet banking or other Security Details.
- 3.12 You must advise us as soon as you can if you:
 - 3.12.1 Notice any errors, unusual or unauthorised items in the Account, a statement or other correspondence with us;
 - 3.12.2 Find our services are not working properly;
 - 3.12.3 Think any Payment Instruments or Security Details relating to your Account have been lost, stolen, damaged or are being misused; or
 - 3.12.4 Think someone may be accessing your Accounts without your authority or that your account and Security Details have been compromised enabling unauthorised access to your account.
- 3.13 You should contact our Customer Service Department as soon as possible on (+44) 0121 753 6000, Monday to Friday from 9:15am to 5:15pm or by Secure Message from our internet or mobile banking services. If calling out of office hours, leave a message informing us of the situation and we will review this the next Business Day and ensure that the matter is resolved as promptly as possible. To report a lost or stolen Debit Card, please call us on (+44) 0207 796 1517 (lines are open 24 hours a day).
- 3.14 You should also contact us as soon as you become aware of any Payment Transaction that was not authorised by you or has been incorrectly executed, and in any event within 13 months. If you fail to notify us within this timeframe, you may not be entitled to the protections from liability contained in this Agreement. The quicker you advise the Bank upon becoming aware of any unauthorised activity on your account the better, the longer this is left the more difficult it can become to investigate the matter and retrieve your funds, where relevant.
- 3.15 Unless you are requested to do so via our secure internet or mobile banking, you should not email us confidential information or instructions and you should not respond to any emails asking for your Account information, Security Details or any information about your Payment Instrument even if it appears that the email has been sent by us. We will never ask for these details by email. Our Digital Banking Platform provides a secure messaging functionality and you may be asked through this channel for information to support your enquiry which you can view and respond to on internet or mobile banking.

- 3.16 We reserve the right to suspend the use of your Payment Instrument if we suspect that:
- 3.16.1 The security of the Payment Instrument is compromised;
 - 3.16.2 The Payment Instrument is potentially being used to perpetrate money laundering or other criminal activity;
 - 3.16.3 There is unauthorised or fraudulent use of the Payment Instrument; or
 - 3.16.4 Where credit is provided, we consider that there is an increased risk that you will be unable to pay.
- 3.17 We will contact you to inform you of our intention to suspend your Payment Instrument, or if we are unable to contact you beforehand, we will do so immediately afterwards. However, we are not obliged to contact you where it may be unlawful to do so, or it would compromise reasonable security measures or the Bank's regulatory obligations.
- 3.18 To unblock a suspended Payment Instrument, you should contact the number provided in Clause 3.13 above. Please note, however, unblocking a suspended Payment Instrument is at the Bank's discretion and we are within our rights to reject such a request.
- 3.19 We will not be liable for any loss or damage that arises out of any breach of the safety and security instructions we have given you to keep your Payment Instrument or Security Details safe. If there is any loss or damage arising out of any breach of safety and security instructions, then the maximum amount you can be held liable for is £35.00.
- 3.20 We may record any phone calls with you to check that we have carried out your instructions correctly, to help improve our service, check that we comply with our regulatory obligations, and to help detect or prevent financial crime. You hereby consent to us doing this.

4. Third party mandates

- 4.1 We may accept and allow a third party to operate an Account where you have authorised this third party to act on your behalf.
- 4.2 For us to accept such authority from you, you (or in the case of a Joint Account each of the Joint Account holders) must sign a "third party mandate" instructing us to do so or provide a duly executed power of attorney.
- 4.3 We will request identification documents in order to verify the identity of such a third party in accordance with our normal client due diligence procedures.
- 4.4 In certain circumstances, the law may require us to allow someone else to operate your Account (for example, if you become incapable, bankrupt or sequestered, or in the event of death) and any third party mandates or powers of attorney you have given to us may become ineffective.
- 4.5 For security reasons, we may not allow a person who is operating your Account on your behalf to have access to some services and this will remain at the discretion of the Bank.
- 4.6 You will be liable for all or any debts (including Overdrafts) incurred on your Account as a result of the Third Party operating your Account. We will not be responsible for any loss or damage caused by any act (or failure to act) by any third party authorised by you (or by law) to operate your Account.

5. Classification of Accounts

- 5.1 As of 13 January 2018 some UBL UK Savings Accounts can be classified as either Payment or Non Payment Accounts. UBL UK Deposit Accounts and Easy Access Accounts will become Payment Accounts. These Accounts will operate in the same way as they have always done but with the additional functionality as detailed in the Section 6.16, 'Payments Out of your Account (Other than Cheques and Debit Card Payments)'. You can choose to use these new services or operate your account as you have done so previously.
- 5.2 UBL UK Fixed Term Deposit, Fixed Rate Cash ISAs and Notice Accounts will remain as Non-Payment Accounts. Any Account where funds are fixed and a penalty or profit reduction is applied for early withdrawal; or where there are limits as to how much you can save per year, for example, ISAs, are classed as Non- Payment Accounts.

6. Payment Services

- 6.1 The following Clauses, unless otherwise specified, only apply to Payment Accounts.
- 6.2 We use the UK Faster Payments Scheme (Faster Payments) whenever possible to carry out money transfers between bank accounts in the UK.
- 6.3 Faster Payments is a secure service that allows money to be transferred within a few hours to its recipient. We use this as the automatic method to send money. Please see Clause 8 below for details on timing and please refer to our Personal Account Schedule of Charges or Personal Islamic Tariff List for applicable charges.
- 6.4 If we are unable to use Faster Payments to carry out your transaction, we will inform you. The alternative methods available, such as BACS or CHAPS may not transfer money as quickly as Faster Payments and we may charge you for using such alternative methods as detailed in the Personal Banking Schedule of Charges or Personal Islamic Tariff List.
- 6.5 Cut off times will apply to when we can accept Payment Instructions from you. This means that any Payment Instruction accepted after a cut off time will be treated as having been received on the next Business Day and will be processed on the next Business Day. Please see the tables in Clause 6.31 and clause 6.32 for applicable Cut- Off Times.
- 6.6 Your Account balance includes:
- 6.6.1 Transactions that are still being processed (such as cheques and Debit Card Payments in the process of being cleared) and so maybe subject to change; and
 - 6.6.2 The available balance, which represents funds you are able to withdraw (subject to any other restrictions on withdrawals) including the amount of any overdraft.
 - 6.6.3 An indication as to whether your account has gone into overdraft (Islamic accounts are not permitted to go into any overdraft so you must ensure your balance does not go below £0).
- 6.7 In respect of all Payment Transactions within the EEA, we will make available to you the following details of the Payment Transaction:
- 6.7.1 A reference enabling you to identify the payment, the date of the payment and where appropriate, information relating to the recipient;
 - 6.7.2 The amount and currency used for the Payment Transaction and any exchange rate applied;

- 6.7.3 The amount of any charges and where applicable a breakdown of these charges or interest payable by or to you as soon as reasonably practicable after the account is debited; and
- 6.7.4 The debit value date for the transaction or the date of the receipt of your Payment Instruction, or credit value date in the case of payments into your Account.

Payments into Your Account (other than cheques and Debit Card Payments)

- 6.8 Depending on the type of Account you hold, you may pay money in by cash, cheque, counter cheque, banker's draft or by electronic transfer of funds. To pay money in, you must provide us with the relevant payment details:
- 6.8.1 For cash payments, your name (or the name on your Account if different), your Account number and sort code. Deposits of £5,000 cash or more in a single or linked deposit in the last 3 months, requires evidence of source of funds to be presented.
- 6.8.2 For electronic transfer of funds, your Account number and sort code and the same details for the beneficiary of the funds;
- 6.8.3 For an international transfer of funds into your Account, the IBAN and BIC (which can be found on your statement); or
- 6.8.4 For cheque payments please see Clause 7 below.
- 6.9 If you deposit money using incorrect payment details, the payment may be returned or the Bank may pay the funds into whichever of your Accounts that we think appropriate. We will not be held liable for mistakes where incorrect payment details are provided to us. In cases where incorrect payment details are provided, this can cause delays in processing of the payment.
- 6.10 We reserve the right to debit your Account without your prior consent if a payment made through the Faster Payments Scheme is incorrectly applied to your Account or the remitting bank recalls the money. We also reserve the right to debit your Account without your prior consent if we suspect the funds are used for financial crime and / or if we are required to do so as a result of our regulatory obligations.
- 6.11 Please see table below for payment clearance times and when interest starts to be earned if appropriate (for sterling payments):

How the payment is paid in	When the funds are available for use	When Interest or Profit is Paid
Cash paid over the counter at a UBL UK branch before the Cut off time (4.00pm)	Immediately	Same Business Day (or the next Business Day if after counted after the Cut off time), if applicable.
Cash paid over the counter at another bank	Second Business Day	Second Business Day, if applicable.
Electronic transfer of funds	Immediately (if received before the close of business). If received after the close of business, funds will be available on the next Business Day	Same Business Day (if before the close of business) or the next Business Day, if applicable.

- 6.12 For payments into your Account in cash that is in a different currency to that of your Account, funds will be available at the end of the next Business Day from receipt.
- 6.13 For payments into Non-Payment Accounts, availability of funds and value dating will be treated as the same as for Payment Accounts as set out in the table above.
- 6.14 UBL UK will return any funds credited to your account in error by Faster Payment without prior consent from you. We will share all relevant information with the payment issuing bank so that the payer can trace the funds that have been credited into your account in error.
- 6.15 If a payment is received via CHAPS in error into your account by a sending bank or a sender, we will not debit your account and retrieve the funds without your consent. If you believe the funds have not been credited in error and are genuinely for you then we will send a message to the sending bank notifying them of this.

Payments Out of Your Account (Other than Cheques and Debit Card Payments)

- 6.16 If you have a Current Account, Deposit Account or an Online Easy Access Account with UBL UK, you will be able to give permission to certain Third Party Providers (TPPs), authorised by the FCA or other European regulators, to access information and to make payments. This will not be possible for Cash ISAs, Fixed Term Deposits (Islamic or conventional) and Notice Accounts (Islamic or Conventional) or UBL UK NetRemit Accounts.
- 6.17 As long as you can access your Current, Deposit or Easy Access Accounts through internet or mobile banking services:
- 6.18 You have the option to instruct a TPP to make a payment on your behalf. To do this you will be required to share the security credentials provided by UBL UK with the TPP (this should only strictly be done where the TPP is fully authorised to act on your behalf). This will allow the TPP to access your account online with us. This instruction received from a TPP will be treated as if it has been instructed by you. After you have authorised a payment to be made by a TPP it cannot be stopped. UBL UK strongly advises you to check and ensure any TPP you allow access to your accounts are authorised to carry out the services they are offering in line with our comments above.
- 6.19 TPPs can be instructed by you to obtain and hold information about your account. When this instruction has been given the responsibility to ensure the security of this data lies with the TPP.
- 6.20 The amount of access given to any TPP on your accounts will be the same amount of access that you have on your account. For example, if the online access you have to your account does not permit you to make an online payment from that account a TPP will also not be permitted to make a payment from that account.
- 6.21 Access may be refused to a TPP if we believe there is a potential risk posed by the TPP, such as, the risk that they will perpetrate financial crime through the Bank.
- 6.22 We will allow you to make withdrawals or payments from your Account:
- 6.22.1 If you have enough available money in your Account, or enough unused Approved Overdraft (not applicable to Islamic Accounts) to cover the withdrawal or payment; or
- 6.22.2 If you request an Unapproved Overdraft and we agree to provide that service (UBL UK does not offer overdraft facilities for Islamic Accounts).

- 6.23 To make payments out of your Account, you must provide us with the following details:
- 6.23.1 For over the counter withdrawal, you must provide us with proof of ownership of the Account e.g. a bank card or additional proof if the withdrawal amount is over certain threshold limits;
- 6.23.2 For payments and electronic transfer of funds (including Direct Debits and UK Standing Orders if permitted) the name of the person, Account number and sort code you want to pay to;
- 6.23.3 For cash machine withdrawals, input your PIN;
- 6.23.4 For an international transfer of funds (or for International Standing Orders):
- 6.23.4.1 The name, address and Bank Identifier Code (BIC) of the bank of the person you want to pay;
- 6.23.4.2 The bank Account number or International Bank Account Number (IBAN) of the person you want to pay;
- 6.23.4.3 Your name and Account number.
- 6.24 For internet and mobile banking services, you must provide the password you have chosen and any other Security Details requested or activated devices.
- 6.25 It is important that the above details for the payee are correct (i.e. account number, sort code, IBAN), as you may be liable for any loss or delay in the event that these are incorrect. Where you subsequently discover that these details are incorrect, we will make reasonable efforts to recover the funds, but we may make a charge for this even if we are unsuccessful in recovering the funds (applicable charges set out in our Personal Account Schedule of Charges or Personal Islamic Tariff List).
- 6.26 Where withdrawals from your Account are permitted, maximum daily limits apply to the amount of cash you can withdraw using your Debit Card (£250), There may also be a maximum or minimum limit on the amount you can withdraw from a branch counter for those Accounts that allow it and there is a maximum daily withdrawal limit of £10,000 through internet or mobile banking from banking accounts (Current and Savings Accounts), and a maximum UBL UK NetRemit single transaction limit of £20,000). There could be a fee for this service depending on the type of Account you have. (Please see our Personal Account Schedule of Charges or Personal Islamic Tariff List or the Personal Banking Specific Terms and Conditions applicable to your account type).
- 6.27 If we receive your Payment Instruction before the cut off time on a Business Day, we treat that Payment Instruction as having been received on that Business Day and in most cases will process it on the same Business Day. Please note there are reasons that may mean that your transaction is not processed on the same day and may take longer to process, for example, if the payment is deemed to require further review, including if it is flagged by our sanctions system (even if it is a false positive).
- 6.28 If a card payment is authorised by you and you are unaware of the final amount of the payment, UBL UK will only reserve the amount you have agreed to be authorised. An example of this situation is when you check into a hotel and the final invoice is presented at the end of your stay.
- 6.29 In some cases, you may be requested to provide specific details of the purpose of the payment, Source of Funds for the payment and possibly your Source of Wealth. The Bank reserves the right to request this information from you at any point in time.

Receipt of Payment Instructions

- 6.30 If we receive Payment Instructions on a non-Business Day, it will be treated as received and processed on the Business Day thereafter.
- 6.31 As outlined above, if we receive payments after the stipulated cut off times detailed in clause 6.33, then the transaction will be processed the next working day.
- 6.32 If we receive Payment Instructions to be made on a future date, it will be treated as received on the date the Payment is to be made.
- 6.33 Please see table below for Payment type and corresponding cut off times:

- 6.35 We may refuse any withdrawal or payment from your Account if:
- 6.35.1 It is requested by using our Unapproved Overdraft service;
- 6.35.2 You do not have enough money available in your Account;
- 6.35.3 You have exceeded your maximum daily withdrawal limit; or
- 6.35.4 If required by law, by court order or regulatory authority for the prevention of financial crime or other illegal activity.
- 6.35.5 If your payment is identified to be made to or associated with a sanctioned individual / entity.
- 6.36 Further detail about the refusal of payments is provided in Clause 11 below.

7. Cheques

Paying Cheques into your Account

- 7.1 You may only pay-in cheques made payable to you.
- 7.2 We may return cheques which have been presented after six months from the date that they have been issued.
- 7.3 We can also refuse to accept a cheque on technical grounds e.g. where it has not been signed or is undated or where the words and figures do not match.
- 7.4 We can also refuse to accept a cheque if we deem it to be fraudulent or suspect it is being presented for the purposes of other financial crime.
- 7.5 Cheques can be returned unpaid by the bank of the person who wrote the cheque, even if the funds have been made available to you.
- 7.6 If you have drawn against these funds, we can take the money back up to and including the sixth Business Day after the cheque has been paid into your Account.
- 7.7 If you have been fraudulent, we can recover the money at any time.
- 7.8 If debiting the transaction causes you to become overdrawn or exceed your Approved Overdraft limit, you will be treated as making an Unapproved Overdraft request.
- 7.9 We will not re-present a cheque if it is returned unpaid by the bank of the person who issued to you, unless you request us to do so on reasonable grounds.

Cheques Clearance Timescales

- 7.10 The table below shows when a cheque (including counter cheque and banker's draft) will be processed, when funds will be made available to you and when you can be certain the money has cleared and cannot be debited from your Account.

Day cheque paid in	Day interest or Profit begins	Day we allow you to withdraw money	Day you can be sure the money is yours
Monday	Wednesday	Friday	Following Wednesday
Tuesday	Thursday	Monday	Following Thursday
Wednesday	Friday	Tuesday	Following Friday
Thursday	Saturday	Wednesday	Following Monday
Friday	Tuesday	Thursday	Following Tuesday
Saturday	Wednesday	Friday	Following Wednesday
Sunday	Wednesday	Friday	Following Wednesday

Paying Out on Cheques You issue

- 7.11 It is your responsibility to make sure you have available funds in your Account to cover any cheques you have written as we will debit your Account on the same day the cheque is received by us.
- 7.12 You may be able to stop a cheque that has not yet been paid by calling us with details of the cheque number, amount and date, whom it is payable to, the reason for stopping the cheque and similar details for any replacement cheque. We may charge for trying to stop the cheque, whether or not we succeed in doing so (please see Personal Account Schedule of Charges or Personal Islamic Tariff List for more details).
- 7.13 You may not ask us to pay a cheque later than when we receive it by writing a future date on it. We will not be liable if we pay the cheque before that future date.
- 7.14 If someone asks you to replace a cheque (because, for example, it is advised to be lost or there is a problem with it), it is your responsibility to ask for the old cheque back (and to destroy it), or to ask us to stop the old cheque, before you write a new one. If you do not do this, there is a risk that both the old and replacement cheques will be paid from your Account.
- 7.15 We may not accept a cheque for payment out of your Account if it is more than six months old.

Cheque Image Clearing

- 7.16 From March 2018, if you pay in a cheque (including Banker's Cheques or Drafts) this may be cleared by the bank through the image Clearing System (ICS), the UK wide process that enables digital images of cheques to be exchanged between banks and building societies, through the ICS, for clearing and payment. Using the ICS as a clearing process does not impact your statutory rights against fraud and other financial crimes.
- 7.17 Cash paid into the branch of another accepting bank will usually take three working days to clear. Cheques or a combination of cash and cheques paid into the branch of another accepting bank will usually take five working days to clear.
- 7.18 From March 2018, if you pay a cheque (including Banker's Cheque or Drafts at our branch on a weekday i.e. Monday to Friday excluding Bank and Public Holidays and before the banks advertised Cut-Off Time) which is cleared through ICS, you will be able to withdraw the funds by 23:59 on the next working weekday (provided that the cheque has not been returned unpaid by the issuing bank).

Returned cheques

- 7.19 If a cheque paid into your Account is returned unpaid the amount shown on it will be debited from your Account, even if funds have been made available to you.
- 7.20 If you have drawn against these funds, we can take the money back up to and including the sixth working day after the day the cheque is paid into your Account. We will send the debit advice to you if this is the case.
- 7.21 Depending upon the reason for the cheque being returned unpaid we will either re- present the cheque or return it to you.
- 7.22 Different procedures apply to cheques drawn in a foreign currency other than in Euros or cheques drawn in sterling or in Euros on a bank abroad. Speak to a member of our staff for more information.
- 7.23 Charges for unpaid cheques may be applied as set out in our Personal Account Schedule of Charges or Personal Islamic Tariff List.

Foreign Cheques

- 7.24 A Foreign Cheque is a cheque drawn in a foreign currency other than in GBP or a cheque paid out of an account abroad (i.e. a country other than the UK, Isle of Man, Gibraltar or the Channel Islands).
- 7.25 We may agree to negotiate a Foreign Cheque or make another form of foreign payment available for payment into one of your Accounts. If you want us to obtain payment for you of a Foreign Cheque, you must "endorse" the cheque by signing your name on the back. Your signature must match that held by UBL UK for you. If the cheque is payable to more than one person, each of individual must sign the back of the cheque.
- 7.26 If you wish to pay a Foreign Cheque into your Account, the processing times for dealing with UK cheques do not apply and you may choose whether we negotiate it or collect it. Speak to a member of our staff for more information.

8. Payment Execution Times

Payments within the European Economic Area (EEA):

- 8.1 If you wish to make an international payment to a person with an Account at a bank within the EEA, we can make the payment for you. The timescales for making payments are as follows:

Currency	How the Payment Instruction is given	Date funds are credited to the payee's bank (from the date the Payment Instruction is received)
GBP or Euro*	Payment Instructions in paper form	End of the second Business Day
GBP or Euro*	In any other method (at our branch, internet or mobile banking or using a Card and PIN)	End of the following Business Day
Any other EEA currency	In any method (at our branch, internet or mobile banking or using a Card and PIN)	End of the fourth Business Day

*or transactions involving one currency conversion between the two (taking place in the UK), where the cross border transfer is in Euros.

- 8.2 Please note that the timescales above apply from receipt of the Payment Instructions in accordance with Clause 6.31 above. If we do not receive your Payment Instruction on a Business Day (or after the cut off time), it will be deemed to have been received on the next Business Day and the timescales above will apply from the date on which the Payment Instruction was deemed to have been received.

Payments outside the EEA

- 8.3 If you ask us to make a payment to a person in any non-EEA currency or with an Account at a bank outside the EEA, we will let you know how long the payment will take. (How long it will take to make the payment will depend on the bank receiving the payment, the method used for the payment itself and banking practice of that non-EEA country).
- 8.4 The applicable exchange rate will be applied at the time we receive the Payment Instruction (see Clause 9 below).
- 8.5 We may charge you for carrying out international Payment Instructions. You will be informed of any applicable charges before the Payment Instruction is carried out. The charges currently applicable for international payments are included in our Personal Account Schedule of Charges or Personal Islamic Tariff List.

9. Exchange Rates

- 9.1 If you give us a Payment Instruction that requires conversion of one currency into another currency, we will use the UBL UK exchange rate for the relevant currency at the time we need to carry out your Payment Instruction, unless otherwise agreed with you, including in any Specific Conditions. The Exchange Rates will be displayed on our website www.ubluk.com and at our branch.
- 9.2 We will inform you of the exchange rate used for the currency conversion before the transaction is carried out. We will also inform you of the exchange rate applied and the amount of the transaction after the currency conversion is carried out. This will be included in the usual transaction information we provide you.
- 9.3 You can also find out the current exchange rate for any currency we deal in by calling our Customer Service Department on (+44) 0121 753 6000.
- 9.4 However, if the UBL UK exchange rate changes (e.g. because of changes in the global market conditions) we may apply this changed exchange rate to a transaction immediately without prior notice, in which case we will inform you of the change as soon as possible after the transaction.

10. Cancelling or changing a Payment Instruction

- 10.1 We cannot change or cancel the Payment Instruction once we have received your consent to execute the Payment Transaction (see Clause 3.5 above), because we will start processing it when we receive it.

- 10.2 However, you can cancel a Standing Order, Direct Debit or any other payment which you asked us to make on a future date as long as you tell us by the end of the Business Day before the payment is due to be made. We may then treat your consent to any future transaction in that payment series as being withdrawn. You should therefore speak to the payee directly regarding an alternative method of payment for any goods or services.

11. Refusal of Payment Instructions

- 11.1 We may refuse to accept a Payment Instruction into an Account or to make a payment from an Account:
- 11.1.1 If we believe that doing so might cause us to breach a legal or regulatory requirement or court order;
- 11.1.2 If you have insufficient funds in your Account to meet the amount of the Payment Instruction including any charges payable whether or not this would place the Account in debit;
- 11.1.3 If the Payment Instruction is not clear or you have not provided us with the correct details to execute the transaction.
- 11.1.4 If we suspect that the payment is fraudulent, is related to money laundering, counter terrorist financing or other illegal activity;
- 11.1.5 If we suspect that your payment is related to a sanctioned individual / entity;
- 11.1.6 If you exceed the maximum amount that can be taken out of your Account (where applicable) or have not met our internal controls for certain transactions which have been put in place for security purposes; or
- 11.1.7 If there is a significantly increased risk that you may be unable to pay any money you owe us on the relevant Account.
- 11.2 In the event that a petition for bankruptcy is made against you we may refuse to act on any instruction given by you or anyone else to make a payment out of your Account unless there has been an appropriate order previously obtained from the court, a copy of which has been presented to us including the appropriate court seals and sign off.
- 11.3 If we refuse a Payment Instruction, we will notify you of the refusal by the next Business Day and if possible, the reasons for the refusal. If the refusal was based on an error that can be corrected, we will inform you of the procedure to do so. Where our refusal is justified, we will charge you a fee for this service and it is included in our Personal Account Schedule of Charges or Personal Islamic Tariff List.
- 11.4 However, we will not notify you of the reasons for refusal to execute a Payment Instruction if such notification would be unlawful, such as where this may constitute tipping-off under any applicable anti money laundering laws. The Bank reserves the right not to advise you of the specific reasons for not acting on your Payment Instruction in such circumstances.
- 11.5 If we refuse a Payment Instruction for any of the reasons stated above, we will try to reduce the inconvenience to you but we accept no liability for any consequential loss which may arise as a result of our refusal to accept Payment Instructions.

12. Refunds for payments

- 12.1 Subject to the provisions below, we will immediately refund the full amount of a payment made within the EEA if:
- 12.1.1 You gave us a Payment Instruction (e.g. to make or receive a payment to your Account) and we did not carry it out correctly or failed to carry it out; or
- 12.1.2 You tell us about a payment made from your Account which was not authorised or which was incorrectly executed (in which case the payment will be refunded following investigation of the advised unauthorised transactions).
- 12.2 You can make a request for refund within thirteen (13) months of the date the payment was made.
- 12.3 For Payment Transactions initiated through the payee (e.g. card transactions or direct debits), you may be able to obtain a refund in the event that:
- 12.3.1 You authorised the payment but did not specify the exact amount to be paid; and
- 12.3.2 The amount paid was more than you could reasonably have expected to pay based on the circumstances, including your previous spending pattern.
- However, you will need to request the refund in writing as soon as possible and no later than eight (8) weeks from the date the payment was made from your Account.
- 12.4 We will not be able to provide you with a refund under Clause 12.3 above if:
- 12.4.1 You consented to the Payment Transaction; and
- 12.4.2 You had been given at least four weeks' notice of the Payment Transaction by the payee or the payee's bank.
- 12.5 In addition to the refund, where applicable, we will pay you any charges or interest/profit you paid on that amount or restore your Account to the state it would have been in had the incorrect transaction not been completed. This includes paying you any interest/profit on that amount we would have paid you if the sum had not been debited from your Account. However, we are not required to refund charges or interest/profit if the circumstances giving rise to these are abnormal or unforeseeable circumstances beyond our control.
- 12.6 You will not be liable for any losses from unauthorised transactions where you have notified us that your Payment Instrument has been lost, stolen or misappropriated (in accordance with Clause 3.10 above), or if we have not provided a means for you to notify us, or your Payment Instrument is used for certain 'distance contracts' (e.g. transactions conducted over the internet). You will be liable for any unauthorised Payment Transaction up to a maximum of £50, where your Payment Instrument has been damaged, lost or stolen, or where you have failed to keep your Security Details (such as your PIN or password) safe.
- 12.7 However, you will not receive any refund (and you will be liable for all losses, including ours) if you have acted fraudulently or (unless you have notified us of the lost or stolen Payment Instrument) you have in a grossly negligent manner failed to comply with your obligations in relation to the security of the Payment Instrument that has led to an unauthorised Payment Transaction being carried out.
- 12.8 We shall be liable to you if a Payment Instruction is not executed correctly, unless:
- 12.8.1 We can show that the other party's payment service provider has received the amount of the Payment Transaction on time (or in the case of payment initiated by you as payee), we have sent the Payment Instruction and correct beneficiary details to the payer's payment service provider, and therefore the failure is the fault of the other party's payment service provider; or
- 12.8.2 The Bank has done what is reasonable possible to process the payment; or
- 12.8.3 Correct execution of the Payment Instruction would result in us breaching any provision of national or EU law or result in a breach of our regulatory requirements; or
- 12.8.4 The cause of any issue relates to the Bank's transaction monitoring review and the issue has occurred based on reasonable grounds.

- 12.9 Where you are the intended payee (recipient) of the funds under an incorrectly executed or non-executed Payment Transaction:
- 12.9.1 We will immediately resubmit any Payment Instruction to the payer's payment service providers; and
- 12.9.2 If you request, make immediate efforts to trace the transaction and inform you of the outcome.
- 12.10 The above provisions do not affect any rights you may have under the UK Direct Debit Guarantee Scheme.
- 12.11 Our liability under this Clause 12 is subject to the provisions of Clause 30 below (Force Majeure).
- 12.12 Clauses 12.1 – 12.8 will not apply if the Payment Transaction was not carried out within the EEA. In such a case, we will only be able to make a refund where a payment was not authorised by you or where we made a payment incorrectly or failed to make a payment. In this case, you can make a request for refund in writing within three (3) months of the date the payment was made, unless your Account does not receive regular statements in that 3-month period, in which case a further reasonable time will be extended to you.
- 12.13 If we have evidence to suggest you have acted fraudulently, illegally in another manner or with gross negligence failed to comply with your obligations in respect of the security of the Payment Instrument, we may decide to investigate the transaction and the circumstances in order to decide whether we should make a refund of the Payment Transaction. We will either refund the transaction, or inform you of our intention to investigate once you have contacted us to report the transaction as unauthorised or incorrectly executed. We aim to complete our investigations as swiftly as possible, and if a refund is due, we will immediately refund you the amount. We may also decide to investigate the circumstances after we have given you a refund. If we later determine that you have acted fraudulently, illegally in another manner or with gross negligence, we will give you reasonable notice of our intention to reverse the refund, you have an obligation to pay back the funds to the Bank in such circumstances

13. Borrowing and Overdrafts

- 13.1 Borrowing may be arranged for customers aged 18 and over either on an Overdraft on some Accounts or by a separate loan if you satisfy the lending criteria stipulated by us. Overdrafts can be either Approved Overdrafts or Unapproved Overdrafts. Loans and other forms of borrowing must be agreed with us under separate terms and conditions. UBL UK does not provide overdraft facilities for Islamic Accounts therefore for these accounts it is important that you do not go below £0 balance on your Account.
- 13.2 An Account holder is personally responsible for the repayment of any money borrowed from us whether by Overdraft or otherwise and whether this arises from the actions of that individual or any other person authorised by that individual. Please also see Clause 2 for further information relating to Joint Accounts.
- 13.3 Charges and Interest will be payable on Approved and Unapproved Overdrafts on your Account (see Personal Account Schedule of Charges for further information).

- 14.3 We reserve the right to change these charges and we will notify you of these changes in accordance with Clause 18 below.
- 14.4 At present for International payments there are options available in terms of who pays the fees associated with the payment. The fees can be paid by the payer and the payee to the respective banks or the payer or payee can choose to pay the full fees themselves. This choice will no longer be available for any payments within the European Economic Area (EEA) in any currency and each party will need to pay its own bank's fees.

15. Interest/Profit rates

- 15.1 Interest or Profit on your Account is calculated on the daily cleared balance. How interest/Profit is paid on different types of Accounts is included in the Specific Conditions relating to them within the relevant section of this document.

- 17.4 The Bank has no control over the timing of the alerts as this is an automated process, this means that alerts can be received by you at any time of the day. The Bank is not liable if you receive the alerts at times that may be inconvenient for you.
- 17.5 Should you wish to deactivate the automated email or SMS alerts on your account at any point in time you can do so by contacting the Bank to request this and we will deactivate this service for you. For optional push and SMS alerts, you may manage these notifications in the account dashboard via internet or mobile banking.
- 17.6 For existing customers, we will use the contact information already provided to us for the alerts. In turn, please ensure your up-to-date mobile number and email address is registered with us. 22. Important Information About Compensation Arrangements

- 22.1 We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Individuals and most small businesses are covered by the scheme.
- 22.2 In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For Joint Accounts each Account holder is treated as having a claim in respect of their share so, for a Joint Account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's Accounts with the bank including their share of any Joint Account, and not to each separate Account.
- 22.3 For further information about the scheme (including the amounts covered and eligibility to claim) please ask at your local branch, you can also refer to the FSCS website for further information <http://www.fscs.org.uk/> or call 0800 678 1100 or 0207 741 4100.

23. Dormant Accounts

- 23.1 If you do not make any transactions on your Account for a period of time (12 months for Current Accounts and 24 months on Interest Bearing Movement Accounts – please see Specific Conditions for details), then we may treat your Account as being dormant to remove the risk of fraudulent activity. This means that the relevant dormant account marker will be placed on your account accordingly, we will stop sending you statements and letters after proper notification that your account is considered dormant.
- 23.2 We also may mark your Account as dormant if our correspondence to you is returned undelivered and all attempts to speak to your or contact you on the contact details you have provided have also failed. This is to minimise the risk of unauthorised access to your account and in turn reduced the risk of fraudulent activity on your account.
- 23.3 You cannot make any debit transactions on any Account marked dormant until you reactivate it. If you want to reactivate a dormant Account, you will have to visit our branch and show personal identification such as a passport or driving licence and request that the Account be made active again in writing. In some cases, additional information may be requested from you to enable activation of your account. Where an account becomes dormant and you request activation, the Bank reserves the right to undertake full due diligence on you in the same manner this was conducted when your account was initially opened with the Bank. If you are unable to visit us in a branch or need further information, please call our Customer Service Department on (+44) 0121 753 6000 Monday to Friday from 9:15am to 5:15pm
- 23.4 If you think you have money in an Account with us that you may have forgotten about, you can also contact us and we will do our best to assist you and locate your funds where possible. For more information, please contact our Customer Service Department on (+44) 0121 753 6000 Monday to Friday from 9:15am to 5:15pm.
- 23.5 We participate in the Unclaimed Assets Scheme established under the Dormant Bank and Building Society Accounts Act 2008.
- 23.6 Under the scheme, we may transfer balances of Accounts which have been inactive or dormant for 15 years or more to Reclaim Fund Limited (RFL). RFL is a not-for-profit fund authorised and regulated by the Financial Conduct Authority, for more information about this see: www.reclaimfund.co.uk.
- 23.7 If we transfer the balance of your Account to RFL after 15 years of dormancy, you will have the same rights to reclaim your Account balance against RFL that you have against us. W
- 23.8 RFL also participates in the Financial Services Compensation Scheme (FSCS) and any transfer to RFL of your Account balance will not adversely affect any entitlement you have to compensation from the FSCS.

24. Set-off

- 24.1 We will have the right to apply any credit balance on any of your Accounts with us and in whatever currency, in or towards the payment of any sum owed by you to us. We can do this where you have accounts in your sole name as well as Joint Accounts you hold with another person.
- 24.2 Where possible we will try to give you advance notice, unless we reasonably suspect that your funds will be transferred out of your account to prevent us from doing this. The Bank reserve the right to do this and we shall not be liable for any loss you may incur as a result of the exercise of this right.

- 31.1 These Personal Banking Terms and Conditions, the information on our Interest Rates Sheet or Profit Rate Sheet, exchange rates and fees provided to you on our Personal Account Schedule of Charges or Personal Islamic Tariff List and any Specific Conditions applicable to your Account, product or service all consist of the terms agreed between you and us regarding your Account.
- 31.2 We may not always strictly enforce our rights under this Agreement. However, if we do this, it will be just a temporary measure and we may enforce our rights strictly again. You should not thereby infer that we have waived any rights we may have to enforce the terms of this Agreement in the future.

2. Overdrafts

- 2.1 We may (but are not obliged to) provide both Approved and Unapproved Overdrafts to Current Account customers (including Joint Accounts but excluding Islamic Current Accounts), subject to you meeting our credit affordability checks and lending criteria. These will include an assessment of your personal and financial circumstances, and checks with credit reference agencies.
- 2.2 We may decline your application for an Overdraft on the basis of searches we carry out with credit reference agencies or other due diligence undertaken. You have the right to be informed free of charge if that is the case and to know which agency we have used.
- 2.3 All Overdrafts are repayable "on demand". This means that we may require you to repay all (or part of) the sums you owe us (including any charges and interest) at any time. We will usually only do this when your circumstances change, or where to continue to provide the Overdraft would breach applicable laws or regulatory requirements. We may also do this where we deem that allowing you to have the overdraft poses a risk to the Bank and that there is a possibility that the overdraft will not be paid at a later stage.
- 2.4 We will give you 30 days' notice of us deciding to exercise our rights under Clause 2.3, but may take action sooner to protect our interests or for legal or regulatory reasons. In some circumstances the Bank may be unable to provide 30 days' notice, such as, if there is deemed to be a breach of internal or regulatory requirements, the Bank reserves the right to do this.
- 2.5 You must continue to make regular payments into your Current Account whilst it is overdrawn, or tell us immediately if you are unable to do so. You must also advise us if your circumstances change and that you are unable to clear the overdraft on your account.
- 2.6 Overdrafts may only be made available to Current Account customers over 18 years of age.
- 2.7 All applicable Overdraft charges and interest incurred during a calendar month will be deducted from your Current Account balance on the 21st of that calendar month or nearest.
- 2.8 We may exercise our right of setoff as described in Clause 24 of the Personal Banking Terms and Conditions in connection with any Overdraft on your Current Account.

3. Approved Overdrafts

- 3.1 Approved Overdrafts may be temporary in nature (i.e. we agree to providing you with credit for a short period of time, perhaps while a deposit is being cleared) ("Temporary Approved Overdrafts"), or on a 12 month 'rolling' basis (see Clause 5.2 below regarding the review process). As outlined above, at present UBL UK does not provide arranged overdrafts.
- 3.2 Applications for Approved Overdrafts may be made to us over the phone or in writing at the branch. If your application is successful (see Clause 2.1 above), additional terms and conditions for an Approved Overdraft (including the applicable duration and Overdraft Limit) will be contained in a separate "Approved Overdraft Agreement".

4. Unapproved Overdrafts (or "excess over limit")

- 4.1 Unapproved Overdrafts may be provided where there are insufficient available funds in your Current Account (whether through credit balance or available Overdraft Limit – excluding Islamic Current Accounts which are not authorized to go overdrawn in any circumstance) and:
 - 4.1.1 You attempt to withdraw funds or make a payment from the Current Account including but not limited to withdrawals or payments made using a Payment Instrument or a Direct Debit;
 - 4.1.2 A payment into the Current Account which is intended to bring it back into credit or within the Overdraft Limit (if applicable) is rejected or reversed (and therefore is not credited to the Current Account); or
 - 4.1.3 We deduct charges or interest from the Current Account (as set out in the Personal Account Schedule of Charges).

- 4.2. We will treat any of the circumstances in Clause 4.1 above as a request by you for an Unapproved Overdraft.
- 4.3. If we do not accept your request for an Unapproved Overdraft, we will inform you that we have declined your request. You will not be permitted to make payments or withdraw funds from your Current Account, and any such transactions will be refused. Additional charges apply for refused transactions (please see our Personal Account Schedule of Charges for further information).
- 4.4. If we accept your request for an Unapproved Overdraft, you must immediately pay funds into your Current Account in order to bring it back either into credit or within the Overdraft Limit (if applicable). The Bank will contact you in this regard asking you to ensure that the necessary funds are paid into your account to address the unapproved overdraft
- 4.5. Where an Unapproved Overdraft exceeds a period of one month), we will write to inform you:
 - 4.5.1. That your Current Account is overdrawn, or your Overdraft Limit has been exceeded;

5. Duration and Termination of an Approved Overdraft

- 5.1. Please refer to the Approved Overdraft Agreement for details of the duration of your Approved Overdraft.
- 5.2. With the exception of a Temporary Approved Overdraft (where the overdraft is made available only for a specific short period of time), our policy is to review the availability of an Approved Overdraft 12 months from the date we make an Approved Overdraft available to you. We may, in our sole discretion, continue to offer an Approved Overdraft for a further period and on such new terms as we decide (including imposing a new Overdraft Limit).
- 5.3. Notwithstanding Clause 5.2, we reserve the right in our sole discretion to review the availability of an Approved Overdraft at more regular intervals and terminate the overdraft if required.
- 5.4. We will give you 30 days’ notice of any proposed changes to the Approved Overdraft terms following a review under Clauses 5.2 or 5.3, but may take action sooner to protect our interests or for legal or regulatory reasons.
- 5.5. You may notify us in writing at any time that you wish to cancel an Approved Overdraft facility for the Current Account. An Approved Overdraft on your Current Account will also be terminated immediately in the event that you cancel/terminate the Current Account to which it relates. On termination of the Approved Overdraft, you must repay any sums due (including all interest and charges) to us immediately and, if applicable, restore your Current Account balance to credit.

5. Profit sharing and losses

- 5.1 It is a Shariah principle that Islamic Savings Accounts based on Mudaraba such as the 90 Days' Notice Accounts and Term Deposit Accounts involve:
- The potential for Your capital to make a profit for You; and
 - the risk that Your capital could suffer a loss in the event of the Pool of Fund that Your money has been invested in returns a loss.
- 5.2 When Your capital makes a profit We shall calculate Your Profit Share in accordance with these Specific Terms and Conditions.
- 5.3 As a matter of English law (which applies to these Specific Terms and Conditions), in the event that Your capital suffers a loss, we shall seek to mitigate the loss in the following manner:
- We may forego some or all of the fees chargeable by Us in respect of the investment of the Pool of Funds for the Calculation Period relevant to Your Islamic Savings Account(s);
 - We shall draw upon any available balance in the Profit Stabilisation Reserve Account administered by Us to make good as much of Your capital loss as the available balance permits Us to do;
 - in the unlikely event where the funds available in the Profit Stabilization Reserve are not enough to cover the loss referable to Your capital, we shall make an offer to You to make good the amount of any shortfall that You may have suffered. We are required by current UK banking regulations and policy to make this offer to You. If You choose to accept this offer, you shall be entitled to receive payment from Us of the full amount that You had previously deposited with Us. You are also entitled to refuse this offer from Us.
- 5.4 We would like to draw Your attention to the guidance offered by Our Shariah Advisor: His guidance is that if You accept Our offer to make good the amount of any shortfall (set out in Clause 5.3(c) of these Specific Terms and Conditions), You will not be complying with Shariah principles.
- 5.5 If the terms of the Financial Services Compensation Scheme (FSCS) apply in these circumstances, you may be able to apply to the FSCS for payment of compensation.
- 5.6 If You have suffered a loss in respect of which We have made an offer to You which You have accepted (see Clause 5.3 (c)), You may be able to apply successfully to the FSCS for payment of compensation if We fail to make payment to You in respect of that loss. If You have refused such an offer from Us, you may not be able to apply successfully to the FSCS for payment of compensation in respect of the amount that was previously refused by You.
- 5.7 Should You suffer a capital loss due to fraud, gross misconduct or gross negligence committed by Us, then We may be obliged, in accordance with Shariah principles, to make good to You any such capital loss on Your Islamic Savings Account out of money held by Us on behalf of Our shareholders. In such circumstances, UBL UK will review the case and it will be at our discretion as to whether we make good to You any capital loss on Your Islamic Savings Account.
